

Autarco compatibility list overview

The chart shows you which Autarco hybrid inverter is compatible with which battery. batteries can be purchased separately, only install batteries that are placed on this list. installing a non-compatible battery will void the inverter warranty. Autarco is not responsible for the quality of the battery or service provided by the battery supplier. Recommended batteries can be supplied by Autarco.

Recommended batteries

Recommended batteries feature the highest quality components. Only brands with high safety and durability standards are selected. Recommended batteries can be purchased directly through Autarco and are marked with a (**) symbol.
